We fit and supply tubes for all makes and models of RIBS. For new brands or models we can use the original tubes to make a template for the perfect fit. Turnaround times are 3-4 weeks for smaller RIBs 4-6 for larger models.

Choose from our colour range at no extra cost

For more information or to book your RIB in please call Jamie on 07786541121

Sure you need a retube? Tube top reinforcement patches covering the length of the tubes may suffice- bring your craft in or phone Jamie for advice.
